## **Dear Parent**

Your child will soon begin attending school, and we look forward to welcoming you.

### **Select a school**

Your child resides within the Common School District of Ørestad comprising the district's schools Kalvebod Fælled Skole, Arena Skole og Fritid, Fælledby Skole and Ørestad Skole. You are guaranteed a space at one of the schools within the Common School District. If you want your child to be enrolled in a school within the Common School District, we kindly ask you to indicate your school preferences by ranking them on the enrolment form. Further details about the Common School District are available on [www.kk.dk/faelles-skoledistrikt-oerestad](http://www.kk.dk/faelles-skoledistrikt-oerestad).

Open school enrolment is the guiding principle in Denmark. This gives you the option of putting your child on the waiting list of a municipal primary school outside the Common School District. Your child will only be offered space at a different school if the school has vacancies.

If you are interested, the answers to the most frequently asked questions are available here: [www.kk.dk/skoleindskrivning](http://www.kk.dk/skoleindskrivning).

### **Choose whether you want a space at an after school recreation care facility**

Each school in the City of Copenhagen includes an after school recreation facility. Your child is always guaranteed space at the after school recreation facility affiliated with the school that your child will attend. If you want a space, please indicate this at the same time that you enrol your child in a school.

### **When and how to enrol your child in a school and an after school recreation facility**

To enrol, use the digital self-service solution on [www.kk.dk/skoleindskrivning](http://www.kk.dk/skoleindskrivning). On this page, you must indicate your preferred school and whether you want a space for your child in the after school recreation facility.

It is possible to enrol your child in the following time frame:

**Monday 4 November 2024 to Sunday 24 November 2024**

To be eligible to enrol your child in a school and after school recreation facility, you are required to have the same home address as your child.

If you need help enrolling your child, please feel welcome to contact the staff of one of the district schools.

**If your child will not be attending a municipal primary school in the City of Copenhagen.**

If your child will not be attending a municipal primary school in the City of Copenhagen, please specify this and the reason via the self-service solution here:
