

Invitation Green Roof Seminar Copenhagen

03.12.2009

Rigsarkivet, Copenhagen

Vi skaber liv på taget!

KØBENHAVNS KOMMUNE

No other element in sustainable architecture has seen technical innovations develop so fast, as in the field of green roofs. The discussions and lectures will address new areas of applications, fascinating projects as well as funding and support programmes.

Venue:

**The Copenhagen Climate Exchange,
Øksnehallen 03. December 2009**

Programm

15.00 - 15.45 Means of promoting Green Roofs by municipalities - an international comparison
Dorthe Rømø (Københavns Kommune) and Wolfgang Ansel (IGRA)

- ▶ *The presentation will provide an overview of political incentives in Denmark and on an international level.*

16.00 - 16.45 The planning, installation and maintenance of Green Roofs
Wolfgang Ansel (IGRA) and Finn Hansen (ZinCo Denmark A/S)

- ▶ *The presentation will cover roof construction and vegetation technology as well as installation issues and case studies.*
