### **UCI Track Cycling World Championships 2022/24**

As Mayors of Copenhagen, we are delighted to express our full support for the candidature of the Danish Cycling Federation to host the UCI Track Cycling World Championships 2022/24 in the Danish Capital Copenhagen.

In choosing Copenhagen as your host city, we would welcome you to one of the most popular event cities in the world. Spectators and participants in Copenhagen can enjoy the benefits of Scandinavian design, functionality and professionalism, as well as every conceivable variety of modern technology. The city offers state-of-the-art facilities including the velodrome as well as compactness, with the majority of hotels and attractions within walking distance of each other.

The capital of one of the oldest kingdoms in the world is easily accessible for your participants. In Copenhagen, you will be surrounded by the sea, and experience a flourishing cultural life, creative growth and a vibrant atmosphere in which they can meet the easy-going and open-minded Copenhageners.

Copenhagen's goal is to be the world's leading environmental capital. The city is already green and climate-conscious with an unprecedented network of bicycle paths; a world-class public transport system; and wind turbines just off its coast supplying a large proportion of the city's energy. In addition, the Municipality of Copenhagen is continuing to invest heavily in environmental projects. Our goal is to be the world's first CO2-neutral capital by 2025.

On behalf of the City of Copenhagen, we would most warmly welcome the UCI Track Cycling World Championships 2022/24 in Copenhagen. Furthermore, we hope that all the spectators and participants, while having an unforgettable event experience, will also have the opportunity to enjoy Copenhagen, and take home many happy memories from our vibrant yet cosy metropolis.

Yours faithfully,

Frank Jensen  
Lord Mayor of Copenhagen
