| <p>Experience the artistic evolution of Greek traditional music at the Alternative Greek Traditional Music Festival on May 18, 2025, at Pumpehuset in Copenhagen. Featuring the trailblazing bands Gidiki and Thrax Punks, this inclusive event celebrates the fusion of heritage and modernity, blending traditional Greek sounds with improvisation, punk energy, and innovative creativity.</p> <p>This festival highlights the artistic value of cultural reinvention, showcasing how ancient traditions can be reimaged in bold, contemporary ways. It's more than music—it's a celebration of experimentation, connection, and the power of art to transcend boundaries and foster unity among everyone, regardless of age, origin, color, or abilities.</p> |
